9:15 PM **Andrew**: hey
9:16 PM **me**: yo yo
sorry about that girl
I didn't know the extent of her craziness
had only met her once
tell Kevin sorry as well
9:17 PM hope she didn't bother him too much
Andrew: she was fucking nuts
but I dont care
i think kevin was a little pissed because she kept asking him for free pot
me: yeah
did you get my e-mail?
Andrew: yeah, youll have to give me a few minutes on that
me: take a look at it when you get a chance and let me know if it's a pretty accurate description
sure, no rush
9:18 PM also, I'll be writing for Rolling Stone now
Andrew: you want to do a dramatic reading of the austin IRS grievance letter at open mike night?
nice
me: so that helps
Andrew: doing what?
the magazine? or the website?
me: writing a review of new William Burroughs documentary first, along with interviews with Peter Weller and maybe Sonic Youth
website for this one
going to query the print editor later about something else
Andrew: nice
9:19 PM congrats
me: also got in touch with ol' Spencer Ackermann, formerly of New Republic, about the project
he's thinking about it, I guess
9:20 PM funny cause I sent almost exactly the same long e-mail to him as I did to Instaputz guys, who immediately got on board, yet he wrote back "
"I'm not clear on what this means...?"
so I had to write a shorter summary for him
he may or may not join, he's a bit of a dick anyway

9:24 PM wait, where's this open mic?

15 minutes

9:40 PM **Andrew**: we would have to find one
9:41 PM **me**: oic
wonder if there's one in this area
Andrew: we went to one near bedford last time
remember? it sucked
9:42 PM **me**: don't remember, actually - did I go?
Andrew: pretty sure
me: need to find a comedy open mic night anyway
9:43 PM so I can try my routine
I got some dynamite shit I've been hoarding over the years
DYNAMITE
Andrew: oh no doubt
me: no fake, no fake
